Thanks, Virginia. The state maintains its position that a NPL listing is warranted.

If the EPA can negotiate a meaningful cleanup under an AOC instead, terrific. The state was not successful in our attempt to do so.

Tracy and Rob,

I have been forwarded a copy of a presentation made to the Montana West Economic Development Board of Directors asking them to not support a national priority listing for CFAC. Haley Beaudry and Steve Wright (CFAC employees) made the presentation.

I would appreciate your insight on their comments. At a recent meeting they organized called the Community Liaison Panel, Cheryl Driscoll, Glencore executive stated "CFAC is responsible for the cleanup and Glencore is here to help."
